Montealto in English

November, 2013.
1st Grade Science Class: The Five Senses
1st Grade Science: The girls learn about the five senses in different ways. Here they are learning about ´Touch´.
1st Grade Science Class: The students love colouring, cutting and pasting during the class.
1st Grade: A big change for the girls in 1st grade is that they have to sit for exams!
1st Grade: The students have exams in both English and Science.
1st Grade Speaking Class: Groups of girls are taken to our ‘Speaking Corner’ and converse with Ellen, one of our native speakers.
1st Grade English Class: The students love to play games to help them revise their vocabulary and spellings.
2nd Grade English Class:
The students regularly give oral presentations and they are encouraged to have a question and answer session at the end of the presentation.
2nd Grade Science: In this picture the girls are preparing a poster explaining how the water cycle works.
2nd Grade: Everyone loves Arts and Crafts!
3rd Grade: The students learn how to work effectively in pairs and self evaluate.
3rd Grade:
The students have a lot of fun when they work together.
3rd Grade: Each child reads individually with their teacher.
4th Grade Art Class: The students learn about many different art techniques!
4th Grade English class: The girls are preparing words for a quiz.
4th Grade English class: The students are working as a team to prepare a game.
4th Grade English class: The girls are working in teams to try and put the words into sentences for a competition.
4th Grade Science class. The girls are participating in a tv style quiz about people and countries.
4th Grade Science Class: The girls have a lot of fun during their classes.
4th Grade: The students are studying History and they enjoy playing games to revise the lesson.
4th Grade Science class. The students read the statements aloud to the class.
5th Grade: Oral presentation about holidays in front of the class.
5th Grade: Oral presentation about jobs in front of the class. Some of the students decided to work in pairs for the presentation and made it more interesting by dressing up!
5th Grade English Classes: The students are encouraged to create visual records of what they learn in class.
5th Grade: Group oral presentation about jobs – “A Banker”.
5th Grade: Group oral presentation about jobs – “A Vet”.
6th Grade: There are a lot of wonderful posters created by the students in the corridors of the school.
6th Grade reading: The girls read together in pairs and use their dictionaries to look up new words from the text.
6th Grade Art Class:
Medium-pastels. All techniques are explained through English.
6th Grade Art Class. Medium-pastels. The girls have created art similar to illustrations in children’s reading books.
6th Grade reading activities:
The students are in the computer room listening to audio and completing interactive activities.
6th Grade: The girls really enjoy using the technology room to study.
6th Grade: Of course, it isn’t all fun and games – there are more serious moments also.
6th Grade speaking, with Niamh, in our purpose-built conversation room.
